"I have called you, you are mine."
Isaiah 43.1

Dear Parents, Guardians, Students and Staff,

We anticipate many exciting opportunities for you and your child as we begin the 2011-2012 school year. We hope the new format for our school year calendar will assist your daily planning. We encourage you to access more details from our e-calendar on our board website at www.smcdsb.on.ca/parents/calendar.

Our professional and caring staff look forward to welcoming all new and returning students to our Catholic schools. Staff in our schools, as well as all support staff in our board offices, are working together to ensure that the faith based learning we offer your children continues to be of the highest standard.

Over the summer, many of our schools benefited from various renovations and energy efficient updates as we continue to make our schools great places for your children to learn in. We will be offering more full-day kindergarten classes for our youngest students as we expand this exciting program. We are also beginning to provide before and after school programs in some of our schools. You can find details on both of these initiatives on our board website or at your school.

Our theme for this school year is *You are the Voice of the Living God*. This theme, which will be celebrated in each of our schools throughout the year, is rich in meaning. It invites us to not only listen to the voice of God as He speaks to us each day, but it also asks us to be the voice of God in our daily lives. As a board, the theme calls us to instill our Catholic beliefs and traditions into all programs and services for students. It is also important to us in other ways. This year, we are embarking on a new multi-year strategic plan and we invite you to lend your voice to this process. To get involved, talk with your school principal or visit our website to offer input into our planning that will create the foundation of Catholic learning for your child in the coming years.

Most of all, we look forward to working with you to ensure that all children reach their full potential while they learn and grow in our schools. We promise to deliver an exceptional academic, social, spiritual, physical and moral learning experience to your child throughout the 2011-2012 school year.

Yours in faith,

Brian Beal
